

Support Kensington Elementary School

Join the *PTA + Dads' Club + KEF*: All Three for \$25

The combined annual membership dues for the PTA, Dads' Club, and the Kensington Educational Foundation (KEF) are \$25.00 per member. (PTA-only memberships are \$12.50.) Dues apply to all of your children at the school, so each of their classrooms receives credit for your membership.

Classes with 75% membership win an ice cream party! (Teacher memberships* count, too!)

Your membership dues provide "seed" money for many programs and events such as science & computer labs, art, vocal music, classroom supplies, Dads' Club site improvements, library support, parent education, the spring Carnival and a school-wide conflict resolution program. A portion of dues is directed to state and national PTA.

Membership entitles you to various PTA benefits and votes on important issues, and a vote for the KEF Board of Directors in the spring. It does not obligate you to attend monthly meetings of any organization, although your involvement is always welcomed. Membership provides support for all service organizations.

Make 2008-09 the best year yet for your children and their teachers!

Questions? Contact: **Jill Sprague, PTA VP Membership**, 528-5474 or 4Spragues@sbcglobal.net
Pamela Gilbert-Snyder, PTA President, 527-4287 or pgilbertsnyder@mac.com
