After School Programs

There are many after school options available to you. Here are a few that many Kensington Elementary School families recommend.

Neighborhood School

Neighborhood School is the on-site after school program. They offer a flexible schedule for full or part-time. The Neighborhood teacher will pick up your child in front of their classroom when the bell rings. A very popular (and EASY!) option for kindergarten families.

Kensington After School Enrichment Program (KASEP)

KASEP, located just down the hill in the Kensington Community Council classroom building, offers after school enrichment classes to students in kindergarten through sixth grade. KASEP teachers walk the kindergarten students from school to KASEP. Some parents enroll children in KASEP classes in lieu of afterschool care. Class schedules and registration info are published at the beginning of the school year and are sent home in your child's backpack.
