General Release for photographs, videotapes, interview comments, and posting on the internet

To: Parents and Guardians  
From: Kensington Education Foundation (KEF)  
On behalf of itself and Kensington School PTA and Dads' Club

Occasionally, the Kensington Education Foundation, PTA and Dad's Club, all parent-run organizations connected with Kensington Hilltop School, would like to use the name, photograph(s), video recordings, and/or interview comments of students for educational and promotional purposes, including website content, news articles, newsletters, slide shows and brochures. On occasion, we also receive requests from the news media to photograph, film, or interview students while covering school events and activities. Such images and comments are used for news and promotional purposes only and not for commercial purposes.

Legitimate news media personnel or approved parent/friend photographers do all photography, video recording, student comment interviewing, and posting on the internet. In order to use such material, parental consent is necessary for any student under eighteen (18) years of age.

I understand that the above-referenced organizations, the school and the district have no control over further distribution of a photo or image once it appears in a school or parental organization publication or website. By signing below I hereby release Kensington Hilltop School, KEF, the Dad's Club and the Kensington Hilltop PTA from any damages or injuries claimed by the student or parent related to production or distribution of any such photo or image.
